**Its important that we find the way God sees a situation, circumstance or even a person. Often it is different from how the world sees it or even how we once saw it. We must get used to accepting God's way and not ours. And for this we first need a change of heart !**

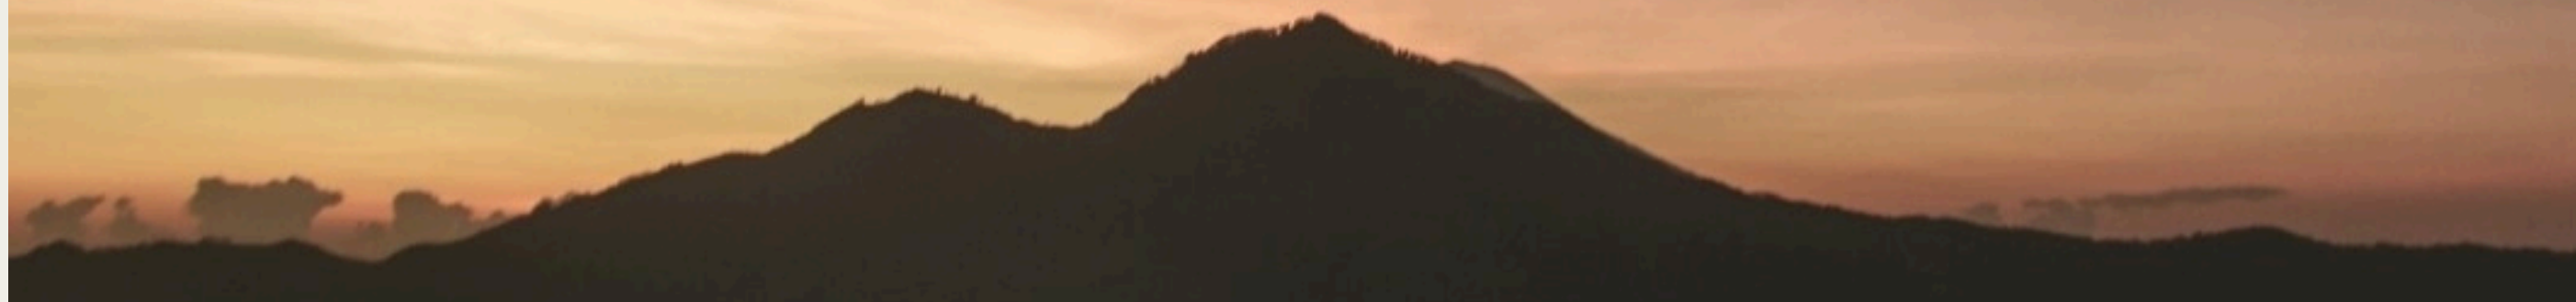

**The natural way of seeing things is the world's way of doing so! God requires that we at all times see it His way.**

**Where is the man who has sought God... Search for him for he tells you best about what you have not yet seen nor experienced!**

**– Mervyn Naidoo**

The hidden treasures of the  
prayerful life first begins with  
personal prayers

When we Pray instead of criticising, it will make more sense than the reports we have grown so accustomed to !

God's desire is that we have a change of heart so that we may be able to see it as He does. And when we do, He then uses us to bring about change.

**No prayer will reach Heaven if it has in it any resistance from man to the Will of God.  
Prayers are meant to put God first. We do so by putting His Son First.**

**Consistency and revelation work together for a better understanding of kingdom dynamics. The more you spend time with the Lord Jesus, the more is revealed from Heaven**

Prayer is all encompassing. By this we mean that prayer helps us to wait and helps us fight the good fight. It helps us to not faint and it helps give us peace even before we receive what is ours in Christ.

TIME WITH THE LORD, FOR HE WILL

God is spirit and exists so!  
Therefore he who comes to God  
must do so in this realm –  
through the realm of His Spirit.

**The natural man is still caught up  
laboring for food that spoils. The  
man who is led by the Holy Spirit  
labours for spiritual food that  
endures forever. Its source is from  
the Lord!**
